How to complete this form

A Tax File Numbers (TFN), Australian Business Numbers (ABN) or Exemptions

Please record your TFN, ABN or the appropriate exemption information. If you are exempt, but have a TFN, it is safer to provide your TFN in case your circumstances change.

For investments held jointly, details of only two holders are required. If possible, you should give details of those holders with a TFN rather than those who are exempt.

For investments held on behalf of another person, such as a child or an aged or invalid person, enter the Trust TFN. If there is no Trust TFN, enter the Trustee's TFN or exemption. Where the investment is held by an adult for a child, the adult is the Trustee.

EXEMPTIONS

For details about who is exempt, please contact the Australian Taxation Office. To claim your exemption, please enter the number of the pension or benefit you receive from the following list:

It is not an offence to withhold your TFN or, where the securities are held for a business purpose, your ABN. However, if you do not provide your TFN or ABN, tax may be deducted from payments of interest and the unfranked portion of dividends and distributions at the highest marginal rate.

This instruction only applies to the specific holding identified by the SRN/HIN and the name appearing on the front of this form.
